### Customer Proprietary Network Information Certification

I, Peter Varani, Chief Executive Officer, of Choice Communications LLC ("Choice") have firsthand knowledge of the procedures that Choice has implemented to comply with the Federal Communications Commission's rules pertaining to safeguarding customer proprietary network information ("CPNI"). I certify that Choice has established procedures that are adequate to comply with the Commission's CPNI rules set forth in section 64.2001 et seq. I relied on Attachment A in making this certification.

**Customer Proprietary Network Information Certification**  
**Attachment A**

Choice Communications LLC (“Choice”) has established policies and procedures to comply with the Federal Communications Commission’s (“FCC”) rules pertaining to the use, disclosure, and access to customer proprietary network information (“CPNI”) set forth in section 64.2001 et seq. Choice has circulated its CPNI policy to all employees.

In summary, in accordance with Choice’s policy, Choice uses CPNI: (1) to bill and collect for services rendered; (2) to protect rights and property of the company; (3) for network maintenance; and (4) as required by law.

Choice will not use CPNI for any marketing purpose other than to market services to customers within the same category of service to which they already subscribe. Choice does not share CPNI with affiliates or third parties.
